

EASTER HOPE GARDENS

Welcome to our Easter Hope Gardens trail. The gardens will be placed in Platt fields Park on the 1<sup>st</sup> April and the trail will be open from Good Friday until Easter Monday (2<sup>nd</sup> to 5<sup>th</sup> April).

Tick off the 10 gardens on the trail as you find them. If you like you can write down something that you like about each one! Do you have a favourite?

There are some other Easter gardens to be found throughout the park. So, if you want to have a longer explore or you'd like to come back another day, bring your map and mark on the different gardens you find. How many have you found altogether?
